

Over the Road Gang, Inc. has hosted the Ol' Marais River Run for the last 33 years. Our club takes great pride in producing a world class event that thousands of people participate in every year. It has been our mission to offer an event that not only supports our community, but is also safe for our participants, vendors, and spectators. As we approach our 34th Annual show in September 2020, we have made a very difficult decision. After very careful consideration, we have decided to postpone this year's show and connect with everyone next year on **September 18th and 19th, 2021.**

It was especially hard to make this decision considering that the proceeds of our show are given to local organizations and provide scholarships for students. We also know that this will also have a great economic impact on our beloved community.

The health and safety of our participants, vendors, sponsors and more than 10,000 attendees have always been our number one priority. With that being said, we have decided that the risks of having this event far outweigh the benefits of hosting the show this year.

Making this decision was inevitable after also recognizing that, even if all the restrictions have been lifted by our scheduled show time and we could assure the health and safety of everyone attending, it is not possible for us to put into place all the elements required to execute the quality event that is expected. We appreciate you understanding how difficult this decision was and know that some people will be upset by the decision, and others will applaud it. Either way, please know that we are acting in what we believe to be in the best interest of not only our club, but the participants and our community.

Thank you for your understanding and your past, present, and future support.

TO OUR CURRENTLY REGISTERED PARTICIPANTS AND VENDORS:
